

THE WHEELING CLUB

In the Inter-State League Will be One of the Very Best.

WILL WHITE HAS BEEN DICKERING

With a Number of Players and When Their Names are Divulged the Other Inter-State People Will be Surprised - Buckenberger to be Here on Tuesday - Entries at New Orleans - Many Bowling Games.

In a letter to the sporting editor of the INTELLIGENCER, Mr. A. C. Buckenberger says that he will be here on Tuesday to complete arrangements for grounds for the Wheeling Inter-state base ball league team. Will White, of Bellaire, whom he has appointed manager of the club, he says, has been doing some quiet but effective work, having agreed on terms with several players, and says Buckenberger, "when their names are divulged the Inter-state people will be surprised."

It is not yet known what grounds will be selected as the home of the new club, but most people favor the site on the north end of the Island, which will be alike convenient of access to people in Martin's Ferry, Bellaire, Bridgeport and Wheeling. The idea recently suggested that arrangements be made to play on the State Fair grounds, it is thought, will be abandoned on account principally of the large number of watchmen that it would be necessary to employ.

When the management has selected grounds matters in connection with the club will assume a more definite aspect.

PHOENIX DEFEATED

By the Hustlers in the South Side League Race.

Phoenix	6	12	.333	777
Mozart	2	16	.110	777

HE Phoenix and Hustler teams met Saturday evening on the Fette alleys and Shanley's men received two very hard falls at the hands of the Kemptles. In fact the Hustlers rolled two very good games and if they are able to roll throughout the season, in such good form, are sure to figure near the top of the ladder - possibly a good second to the seemingly invincible South Side club that has, to all appearances, an iron clad mortgage on the pennant over the creek. Kemptle's rolling was the feature in both contests and Wols a Phoenixite did very well, too. The score of the first game:

Hustlers-Kemptle 161, Shafer 114, Ebeling 127, Walther 125, Weisgerber 154, Blind 147; total 825.
Phoenix-Wols 152, Bonenberger 130, Mull 135, Fandis 124, Staib 107, Shanley 112; total 769.
Hustlers-85, 162, 249, 328, 397, 498, 593, 661, 747, 825.
Phoenix-63, 146, 199, 258, 338, 441, 526, 698, 699, 776.

Phoenix led in the first inning of the second game, but in the other nine they were more or less in the rear. The story of the game:

Hustlers-Kemptle 172, Shafer 124, Ebeling 138, Walther 128, Weisgerber 142, Blind 131; total 835.
Phoenix-Wols 156, Bonenberger 127, Mull 139, Fandis 108, Staib 107, Shanley 141; total 776.
Hustlers-61, 148, 236, 314, 395, 470, 563, 643, 740, 838.
Phoenix-66, 127, 189, 271, 341, 427, 511, 596, 639, 750.

Other south side games.

There were four postponed games, in the South Side league, played Saturday evening on the Mozart park alleys. The Buckeyes, the Bellaire aggregation, defeated the tailenders, the Mozarts, in two games that were close and exciting from start to finish. In the first, Satterfield led with 158 pins, and Roth led for Mozart, with 143. The score:

Buckeye-Rumbach 120, Klotz 127, Smith 155, Doran 139, Satterfield 158, Matter 118; total 815.
Mozart-Schraabe 134, Roth 143, Hoffreuter 140, Thebe 122, Nolte 139, Wessell 121; total 799.

The second game was very close, and once Mozart led their opponents. Rumbach made the best individual score, 159. The score in detail:

Buckeye-Rumbach 159, Klotz 142, Smith 112, Doran 131, Satterfield 134, Matter 140; total 818.
Mozart-Schraabe 148, Roth 110, Hoffreuter 135, Thebe 148, Nolte 125, Wessell 138; total 804.

Excelsior and Knoke.

The Excelsior and Knoke games were interesting, although the first was one-sided, Knoke winning with ease.

Club	Won.	Lost.	Per cent.	High Score.
Excelsior	6	0	1.000	929
Knoke	6	0	1.000	921

Saturday evening The Brownies, first series eliminations in the Wheeling league and a short chance for pennant honors in the second, defeated the Pen and Pencil aggregation in two unusually poor games. In the first contest Dahinden, of the victors, led with 151. The score:

The Brownies-Harvey 147, Richards 132, Kuzlen 138, McLure 139, Dahinden 151, Arkle 122; total 829.

Brownies-77, 152, 239, 325, 411, 504, 592, 674, 761, 829.

Pen and Pencil couldn't have rolled a poorer game than she did. The Brownies, too, were away off, and their

opponents had the chance of a life time before them. The score:

The Brownies-Harvey, 129, Richards 109, Kuzlen 119, McLure 181, Dahinden 99, Arkle 119; total 756.
Pen and Pencil-Archer 135, Borland 110, Cassell 114, Travis 105, Handlan 123, McMurchy 109; total 690.

DIXON AND GRIFFO.
The Australian Fighter Secures a Draw With the Colored Man.
In the Seaside Athletic Club's arena on Coney Island, New York, Saturday night, a battle occurred that attracted the interest of lovers of the boxing science everywhere - the twenty-five round go between George Dixon, the remarkable colored featherweight, who is indisputably the world's champion in his class, and young Griffio, the Australian light weight, who has had an unbroken string of victories since he came over from the antipodes. Griffio claims to be a featherweight, but he is at his best fighting in the light weight class, and is so classed. Griffio fought at 120 pounds and Dixon tipped the scale at 128. The Australian was in better trim, so far as appearances went, than in any previous encounter on this side of the Atlantic.

Throughout the twenty-five three-minute rounds the colored man was the aggressor. His opponent showed great activity and easily ducked away from many of Dixon's wicked blows. In the earlier rounds the colored had landed more frequently and with greater effect, but toward the close Griffio had somewhat the better of it. Had it been a fight to a finish the Australian would probably have lowered Dixon's colors. The referee, "Tim" Hurst, declared the bout a draw, which seemed to satisfy most of the five thousand spectators.

"PATSY" CORE'S SHOWING

Was the Feature of the Boxing Carnival Saturday Evening.

The benefit entertainment for "Buck" Stoelzer at the Columbian Athletic Club's arena Saturday night was well attended, and the various bouts were all hotly contested and thoroughly enjoyed by the spectators. The feature of the boxing carnival was the good showing made by "Patsy" Core, a young South Sider who went up against Frank Redmond, of Cincinnati, Stoelzer's trainer. The Queen City man was to silence Core's pugilistic aspirations in four rounds; not only did he not do this, but when the fourth round was over Redmond was all but knocked out, and the referee of course gave the decision to Core.

Several other bouts took place, and then the event of the evening, the bout between Stoelzer and Fred Wise, took place. It was four rounds and proved a very pretty scientific contest. Stoelzer, the beneficiary of the affair, realized a very neat sum, much to the pleasure of his many Wheeling friends.

A good one is told on "Patsy" Core, the young Wheeling boxer, who covered himself with glory in his four round set-to with Redmond at the Columbian club, Saturday evening. Last winter Core was one of the leading spirits in the Ritchietown foot ball eleven. One day the boys were in the Knoke hall and decided they would practice tackling and throwing. They entered into the practice with much spirit, so much so, in fact, that a number of people were drawn to the scene by the racket. The scene that came in to view was startling. The other ten players of the team were lying around in very undignified postures, covered with blood any many a bruise, while Core, who had not escaped shedding some of the crimson fluid, stood up alone, the only man who had come out of the fray comparatively unharmed.

Windy Sullivan.
LINCOLN, N.E., Jan. 20.-John L. Sullivan, who is in Lincoln with his company, says he will re-enter the ring next year prepared to redeem his lost laurels. He thought Fitzsimmons would give Corbett the tightest fight he ever had and said he would not be surprised if he (Sullivan) would be the next man to meet the Australian in the event of Corbett being defeated.

Stoelzer and Leonard.
Saturday night the proposed match between "Buck" Stoelzer and "Red" Leonard, mention of which has already been made, was consummated. The fight is to be ten rounds and will take place before the club offering the most generous purse on the fourteenth of next month. Each side put up \$25. The referee is yet to be selected.

Pickard Wants a "Go."
Floyd Pickard, the local light-weight pugilist, resents the insinuation that he is afraid to meet "Dukes" Kelly in the roped arena, and says he will fight him fifteen rounds for \$50 a side before the club offering the largest purse.

Troy Has Signed.
Thad Troy, of the Martin's Ferry club, has signed with the Cleveland National League ball club for the coming season. "Dick" Padden and Henry Gauding have received letters from several clubs asking for their terms. Oil City, Roanoke and Columbus have been corresponding with Padden.

From early childhood until I was grown my family spent a fortune trying to cure me of this disease. I visited Hot Springs and was treated by the best medical men, but was not benefited. When all things had failed I determined to try S.S.S. and in four months was entirely cured. The terrible eczema was gone, not a sign of it left. My general health built up, and I have never had any return of the disease. I have often recommended S.S.S. and have never yet known a failure to cure.

VENO
Compelled to Remain in Wheeling

Hundreds Flock to His Rooms Yet-Special Rates to Working Men-More Extraordinary Cures Performed in Wheeling.

When Veno came to Wheeling the intention was to remain but a few days, but the hundreds of people who heard his interesting and instructive lectures called at the consultation rooms, were advised as to their individual cases, and receiving immediate relief from the Veno Remedies prescribed, were informed of their friends and relatives and neighbors of the remarkable powers of the medicines, and the constant tide of alling people who have since visited the rooms of the Veno Co., has been so great that it was found it necessary to remain on from week to week, confidently expecting to leave at the end of each. The past week has witnessed crowds as great as any during the early part of our visit, and we have decided to remain for but one week longer, closing positively on Saturday, January 21.

There have been so many requests received at the office to remain until parties from a distance could call that it was decided to listen to the demands. As this will be the only town we shall visit in the state of West Virginia, it is but justice to the residents of the interior cities and towns that they be given opportunity to secure to themselves the benefits of the Veno Remedies. To further interest the workmen Veno has decided to allow his generous offer of free treatment, consultation and advice to all who only the actual cost of the medicines necessary to effect a cure to remain in force for the balance of his stay, and it is hoped that all will avail themselves of his great offer.

The Veno medicines have been placed with the popular and efficient druggist, Mr. Charles R. Goetze, and Dr. Bailey, the physician of the Veno Co., will give his best attention, consultation and advice free to every one calling at the offices of the Veno Co., corner of Eleventh and Main streets, over Lash's jewelry store. Entrance on Eleventh street.
